RE: Online survey. Chance to win £150.

Dear Parent/Carer,

You are invited to take part in a 5 minute survey about the impact on you and your household of our efforts to become a greener school.

£150 PRIZE DRAW: Complete the survey for a chance to win £150!

[Click here to take the survey](#) or use the QR code above.

Green Schools – Green Homes parent-carer survey URL: www.research.net/parentsGSGH

YOUR VOICE MATTERS. We do hope you'll take the time to complete the questionnaire, as what you have to say really matters. Your contribution is important whatever your standpoint on the environment and climate change, helping us understand the value of what we are doing to become more environmentally friendly.

Your **anonymous** survey responses will also contribute to the Green Schools – Green Homes national research project from King's College London, which is studying the valuable role all schools can play in supporting their local communities.

SURVEY CLOSING IN ONE WEEK. The survey is open from today until next Wednesday. So if you'd like to help out and be in with a chance to win the £150 prize draw please remember to complete it in the next few days.

FURTHER INFORMATION: Taking part in the survey is voluntary and completely anonymous. If you have any questions about the survey and the prize draw please get in touch with David Libbert who is running the study at david.libbert@kcl.ac.uk.

Kind regards

Mr S Bell
Assistant Headteacher
