Mail-INGS NEWSLETTER FOR INGS PRIMARY SCHOOL

Dear Families,

The start to the summer term is always full of mixed emotions: SATs, looking back at a busy year and thinking about the final weeks with our current classes. This half-term we celebrated the Kings Coronation with a fabulous day filled with British values, crowns and flag waving. Over lunch time the whole school gathered to join in a street-party-style picnic. It was lovely to see all the school together celebrating a poignant moment in history.

We have continued our sporting activities with Year 3 and The Orchard children starting Judo. All the children have used their learning muscles especially *have a go* and *be cooperative* to try a new sport. Mr Lavelle is running a KS2 football premiership, we are halfway through the season and we are all excited to see which team will be top of the league this year. We have had successful football tournaments with Year 5 displaying a fantastic team attitude and the Year 4 boys making it to the finals! Willow class have completed a two week course of swimming lessons, all the children have built their confidence in water and important safety skills. For the first time, Year 3 took part in Pedestrian Safety Training, they learnt how to cross roads safely in the local community. Bikeability training in Year 5 gave our the children the skills and confidence to travel safely by bicycle and our Year 6 spent time with our PCSOs looking into *Operation Lifestyle* and how they can work to improve their local community.

We are very proud of all the children in Year 2 and Year 6 who gave 100% in their recent SATs. Each child possessed a positive attitude, determination to do their best and an enormous sense of achievement at the end. We are sure that all their hard work will do them justice and set them up for success in the future.

As the days are warming up and sun is beginning to shine more frequently please ensure your child comes to school dressed appropriately with a hat and sun cream applied. We still have lots of events planned for the last half-term of the school year and many more memories to be made. Enjoy the half-term break before we celebrate, reminisce and prepare for the new academic school year.

The whole school had a fabulous time celebrating the Kings Coronation. The rain couldn't put a holt to our street party.

@IngsPrimary

This half-term the **Junior Leadership Team** have worked with the whole school to improve the lunchtime experience. This is Pupil Agency in action!

Following pupil surveys, a series of JLT meetings and the support of Mrs Peach, the KS2 playground has been divided into 4 zones to keep the children entertained. These are the showtime/dance zone, chill out zone, game zone and creative zone. These areas are ably managed by our playleaders.

To create this, the children decided on a range of play equipment they would like. Much of this has been bought and is now in place on the playground.

As some pieces of equipment are more expensive, the school and JLT are developing fundraising ideas so that we can order these in the future. Our work has just begun!
