**Re: Transition Homework for Y5 children**

Dear Parents and Carers,

To promote and continue to develop the positive communication and positive relationships work from year 5, we would like children to produce a *Google Slides* presentation about who they are as a person and inform the class (and their new teacher) about what makes them unique. This will include:

- Family and friends
- Hobbies and interests
- Role Models they look up to (and why)
- Their strengths and challenges
- A dream job

A template of this slideshow has been set up for each child in their *Google Classroom* which the children use regularly in class. The children will need to **log into Google** and then open *Google Classroom* to access the assignment using their normal school login details.

It would be fantastic if parents could help their child prepare this presentation over the next fortnight, ready for transition week. This means that **the slideshow must be complete by 9:00am on Monday 10th July**.

Thank you for your support in this. We hope it will add value to the transition process.

Kind Regards

Mr S Bell  
Assistant Headteacher
