

Maths

Number

- count accurately to 5
- touch count 3 objects accurately including counting out from a larger group
- link numerals to amounts to 3

Numerical Patterns

- counting accurately within 5

Shape, Space and Measure

- explore shapes through play and combine shapes to make new shapes

Literacy

Literacy – Pathway to Success through stories (Experience It, Play With It, Use It, Develop It, Connect It), name writing and mark making

Talk Through Stories - Perfectly Norman, I'm in Charge and The Squirrels who Squabbled

Phase 1 Phonics- Environmental Sounds, Instrumental sounds, Body Percussion, Rhythm and Rhyme, Alliteration, Voice Sounds

Being Me In My World - Who am I and how do I fit in?

Jigsaw Jenie will be introduced as children begin our mindful approach to PSHE. We will welcome new friends to our school community and explore the importance of belonging. We will begin to learn about differences and similarities in a range of contexts. We will also learn about emotions, begin to learn how to work collaboratively, show kind hands, learn boundaries and become confident with our daily routine.

Festivals and Celebrations

Halloween, Harvest and Hull Fair

Children will explore the Halloween and Harvest theme and learn about why and how these festivals are celebrated.

Children will be aware of the arrival of Hull Fair and they will use their senses to explore the smell, sight, taste, hear and touch of Hull Fair.

Where shall we go and how do we get there?

My Classroom (inside)

Children will learn the nursery routine and transition to different areas and parts of the day with confidence.

They will explore the areas of learning with interest, be exposed to new vocabulary and take ownership of their own classroom.

World of Work

Jobs in my family

Children will be aware of their own immediate family and share knowledge about them.

Children will learn about how they can help at home and school and what role they play.

Children will talk about a range of jobs.

Growing and Changes

Autumn Leaves

Children will start to notice changes within their environment and learn about what happens during the seasonal change of Autumn. This will include finding Autumn treasures, new vocabulary etc.

Fabulous Food

Tasting Hull Fair food

Hull Fair food is a tradition of the city and children will get to taste a wide variety of flavours that the fair has to offer. Children will use their senses to further develop their understanding of likes and dislikes and they will be able to communicate this with others.

My Life

Who am I?

Children will learn about themselves and their body. They will use a mirror to identify facial features to produce a self portrait using paint and the correct colours.

Children will then expand on this and create 'My Family' pictures as well as sending pictures in from home.

Animals

Pets

Children will explore which animals make good pets and how we look after them through role play.

Children will share if they have any pets and pictures will be sent via Tapestry from home.
