

REMINDERS

Please name all clothes and PE kits.

Please send your child to school each day with a water bottle.

Year 5 Spring 1 2022 Term Newsletter

As **MATHEMATICIANS** we will be:

Learning about multiplying and dividing two digit and one digit numbers.

We will also be developing our understanding of area and perimeter.

As **WRITERS** we will be:

Learning about similes then writing a simile poem.

Writing rags to riches stories based on Oliver Twist.

Writing a biography of Charles Dickens.

As **READERS** we will be:

Developing our skills through reading plus.

Reading Wonder by R.J Palacio

Reading Oliver Twist by Charles Dickens.

We will make inferences from the text and predict what we think might happen

In **History** we will be:

Answering the questions:

How did Britain change during the Roman period?

What was the impact of the Roman invasion?

We will record our findings in a variety of ways.

In **Science** we will be:

Learning about forces.

We will be carrying out investigations and recording our results in a variety of ways.

In **R.E.** we will be:

Learning about what expression of faith means and how different religions express their faith.

In **DT** we will be:

Looking at how a Roman chariot works and what it was used for. We will then be using our skills and knowledge to create our own Roman chariot using woodwork.
