

Writing Challenge

Imagine an alien landed their spaceship in Hull. What would they do? What would you tell them about?

Maths Challenge

Can you add and subtract numbers up to 20?
Can you add and subtract multiples of 10?

Theme Challenge

Create a fact file about the places in Hull that are special to you. Where do you like to go? Which buildings do you like? Do you have a favourite outdoor space?

Year 2 Home School Challenge

What is special about Hull?

Science Challenge

Can you investigate freezing some water into ice cubes and then melting them in different places around your home, inside and outside?

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Due in by 24.10.24

Make it!

Make a model or picture of your favourite Hull building. Is it The Deep, The City hall, The MKM stadium?

Cook it!

Hull is famous for pattie and chips, can you make your own pattie? Will you add herbs, cheese or something else?

Design it!

Create a poster all about Hull. Which places would you tell people to visit?

Research it!

Find out about The Humber Bridge. When was it built? How long is it? How long did it take to build it?
