

## REMINDERS

Please name all clothes and PE kits.

Please send your child to school each day with a water bottle.

# Year 3 Autumn 2 2023 Term Newsletter

## Where in the world is Hull?

As **READERS** we will be:

Developing our phonics through RWI.

Reading "The Wild Way Home." by Sophie Kirtley. This is a time slip novel, switching between our time and the Stone Age.

We will also have time to read for pleasure and to listen to an adult reading to us.

As **WRITERS** we will be:

Using our Driver text "The Iron Man" to inspire us to write our own story about defeating a monster.

In poetry, we will be using a range of descriptive language to write image poetry.

Our non-fiction work will focus on writing persuasive letters.

We will continue to develop our spelling by applying our phonics knowledge

In **SCIENCE** we will be:

Studying rocks. We will be:

- Learning about the 3 main types of rock.
- Using our observational skills to sort and classify rocks.
- Developing an understanding of the process of fossilisation

In **RW** we will be:

Studying the unit "Remembering." We will think about how we remember and celebrate key events and also learn how members of Faith groups demonstrate remembrance.

(RW, Religion and World Views, is the subject previously known as RE)

As **MATHEMATICIANS** we will be:

Extending our knowledge of the 2, 5 and 10 times tables.

We will start to measure using a metre ruler.

We will learn to compare and order 3-digit numbers.

We will develop our ability to add and subtract mentally including adding and subtracting 1s, 10s and 100s

In **GEOGRAPHY** we will be:

Comparing Hull to other cities in the UK

Developing our maths skills so we can identify the different continents and the northern and southern hemispheres.

Finally, we will understand where in the world Hull is!

In **DT** we will be:

Tasting different soups, and then designing our own.
