

Writing Challenge

Can you think of any stories involving a quest? What challenge might your character face? And how will they overcome it?

Try writing a story where one of your characters has to complete a quest to be successful. Think about the quests in *The Magic Flute* to help you.

Maths Challenge

Can you use your new knowledge about decimal fractions with tenths and hundredths to add and subtract amounts of money? Try these:

$$£1.99 + £2.45$$

$$£2.00 - £1.50$$

$$£5.50 + £6.25$$

$$£5.00 - £1.50$$

$$£12.73 + £8.99$$

$$£10.00 - £1.50$$

Theme Challenge

Choose a European country of your choosing. Can you create a fact file to teach your classmates about it? Where about is it? How many people live there? What is its climate like?

Year 5 Home Learning Challenge Autumn Two

Science Challenge

Can you investigate which materials dissolve in warm water from your kitchen?

To challenge yourself further, can you figure out ways to make sugar dissolve faster?

Ask it

Create a quiz to test your family and friend's knowledge about the Triple Trawler Tragedy. Bring in your questions to see who can be Quiz Champion!

Find it

Can you find something in your house that is: transparent, permeable, magnetic?

Write a list of what you find.

Draw it

Can you sketch an image inspired by space?

Use sketching and shading techniques rather than colour on your picture.

Read it

Find a new book which you have really enjoyed reading. Bring it into school (or just the title of it) and tell us about it. You might inspire someone else to want to read it.
