

### Theme Challenge

Choose another city you have visited or would like to visit in the UK.  
Research and make a poster

### Maths Challenge

Number bonds to 100. Take it in turns with your grown up to write down a 2-digit number then work out how many more you need to add to make 100. Try and choose 10 different numbers.

### Science Challenge

Create a diagram for each of these rock formations and label each of them

Igneous rock

Sedimentary rock

Metamorphic rock

### Year 3 Home Learning Challenge

Complete all of the tasks in the speech bubbles by Friday 13th December

### Writing Challenge

Create your own monster and write a description to match. Don't forget to use adjectives and commas!

Try to complete two of the blue challenges.

If you complete all the challenges you will get a small reward!

#### **Visit it!**

Visit your local park or the beach. Collect some rocks and make a rock creation.

#### **Research it!**

Research Hull. How many famous landmarks can you find?

#### **Cook it!**

Try some different soups; homemade or bought. Which do you prefer?

#### **Design it!**

Design your own soup.
