

Writing Challenge

Write a simile poem about your favourite toy. Remember to use adjectives to describe them and our favourite conjunction 'and' to join your ideas together.

Reading Challenge

Please remember to read your Phonics books 3x a week! Fill your home reading records in and bring back Fridays for your DoJo's and certificates.

Maths Challenge

How many different ways can you make numbers 6-10 using '5 and a bit more'?
How many addition stories can you tell to make numbers 0-10?

Theme Challenge

What is your favourite toy? Can you research it and answer some of these questions? When was it first made? What materials was it made from? What material is it made from now? Has it changed over time? How?
Make a fact sheet.

Year 1 Home School Challenge

Toys in the Past

Science Challenge

Materials

Choose one of your favourite toys. Can you draw it and label the materials used to create the different parts of the toy? Can you make a replica of your toy using junk modelling? What materials will you choose?

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Due in by 09.02.24

Design it!

Board Games: These type of toys have always been a family favourite. Can you design your own board game?

Make it!

Board Games: Can you make your own designed board game?

Research it!

Can you speak to your parents and grandparents about toys they used to play with when they were little? How are they different from yours? Create a fact sheet.

Stick it!

Toy Poster: Find as many pictures of toys as you can! Try and get a good mix of old and new. Can you describe some of the toys? How have they changed?
