

### Theme Challenge

Create a fact file all about life in Roman times. What food did they eat? What did they wear? What places did they invade?

### Maths Challenge

How well do you know your 2, 4 and 8 Times tables?  
Create a poster to demonstrate your knowledge.  
Can you be a Multiplication master?  
Be as creative as you can be.

### Science Challenge

Our science theme is Light.  
Look around your home, list all the light sources you can find. How many can you find?

### Year 3 Home Learning Challenge

## How did the Romans Change Britain?

Date for completion:  
22nd May

### Writing Challenge

The Romans invented lots of things that we still use today.  
Research some of these inventions and create a leaflet to share with us.

Complete all of the tasks in the speech bubbles.

Try to complete two of the blue challenges.

#### Design it!

The Romans had shields to help them defend themselves from enemies. Design your own shield.

#### Visit it!

Take a visit to the Hull and East Riding museum and see the Roman mosaics.

#### Ask it!

Ask your family what they know about the Romans. Write down a list of facts.

#### Cook it!

Can you cook a Roman inspired meal?

36 <b>FINISH</b> The Romans are coming and your way of life is changing	35 You've crafted a doll to offer to the Gods to change the weather	34 You make sharp tools out of it	33	32	31 Someone has robbed you of your iron!
25	26	27 You found iron ore!	28 Your status in society has become higher	29 Your cows escaped during the night!	30 Your crops all ripen and you have lots of food
24 Nothing changed and your crops died	23 You can now farm more effectively	22 The neighbouring tribe makes a large bronze offering to the gods	21	20 You offered your bronze bracelet to the Gods	19 You no longer exchange resources with other people
13	14 Your status in society became lower	15 Your tool wasn't sharp enough to kill an animal	16 You buried a valuable bronze hoard	17 You have lost a valuable source of food	18 You can now make pottery and weave fabric
12 Your crafting knowledge has increased. You made a flint sickle	11 Your handaxe broke	10 You now have a more effective tool to hunt	9 You go hungry for today	8	7 You develop skills to make new tools
1 <b>START</b> Palaeolithic Era You have access to a handaxe	2 You need to craft a new one before you can gather food	3 You developed the knowledge to make microliths	4	5	6
